Foreword

It's 1955; another year checked off the Big Calendar; another Senior Class ready to try its collective hand on the "outside;" another Falls Church High School JAGUAR. Behind us are ten years of Senior Classes, ten years of JAGUARS. Before us . . . who knows? We of 1955 would like to take our hats off to that past . . . to all the students who experimented, made mistakes, built traditions that we today benefit by, rely on. Falls Church High School has always been, and shall continue to be, as good as the students in it. The fun, the work, the study of the year is captured in this, Our Book, made possible not only by the work of our hands, but by the struggles of those before us. May this book stand as our salute to all that Falls Church High School, past and present, stands for.

A Decade of Progress at F. C. H. S.

Ours is one of the oldest high schools in this area. It was established when Falls Church was a small village and when the only public transportation to Washington was by the Washington and Old Dominion Railroad. By horse and buggy, it was even slower. The Thomas Jefferson Institute had been built in time for opening in 1881 as the finest school in Northern Virginia. It had been in use as an elementary school from that time until 1902 when the first grade of high school was inaugurated. This first class, the Class of 1906 was the pilot class as freshmen, each year seeing a new class added below until in September 1905 the school was complete as a four-year high school. The school was a small one and retained the old-fashioned name "Thomas Jefferson Institute."

The original portion of the present building was occupied by the three hundred students and teachers from Thomas Jefferson Institute in September, 1945. This little group was joined by about three hundred more from Franklin Park, Chesterbrook, McLean, Dunn Loring, Merrifield and other growing communities whose students had been attending Fairfax High School.

Our first ten years have been busy ones, although somebody has always been taking away a part of our area. First, it was the School Board which in 1949 gave our McLean section to Fairfax High School. Then in 1952 the City of Falls Church took back its students and in 1953 Alexandria annexed a square mile or two and took our students from the annexed area. But in spite of these losses, our enrollment has continued to grow enormously. In addition to two extensions to our building in 1948 and in 1953-54, we have used temporary expedients from time to time: the Hillwood Square Recreation Hall and the Alexander's Play Room in 1951 and Thompson House in 1953. And now, the new McLean High School, taking about six hundred of our people, is opening just in time. Without it, we would next year have pupils crowding each other out of the windows.

During these ten years we have won many athletic games and lost some while establishing ourselves as good sportsmen and earning the Babe Ruth award. We have filled our Virginia High School League plaque with forensic and dramatic winners. We have earned our "stadium" facilities and lights by ten good magazine sales drives. The Southern Association of Colleges and Secondary Schools has accepted us into its membership. We have won scholarships galore to the best colleges in the country. We have produced a newspaper which has been judged best in the state. We have produced outstanding yearbooks and magazines. We have uniformed and equipped our band and have seen it develop into a great outfit. We have robed our choirs and enjoyed their wonderful music as they continued to pile up honors including the big Talbott Cup from the national Westminster festival. We have won contests and awards in essays, public speaking, science, foreign language, music and band, art, home economics, mechanical drawing and other fields.

Our Student Council quickly developed into a vital factor in the school and has continued on a high level of prestige and service. The club program has developed and considerable progress has been made. During these ten years we have secured charters and built up strong chapters in five high-prestige, national honorary societies: the National Honor Society, National Junior Honor Society, Key Club, Quill and Scroll and the Thespian Society.

But if the reader wants to know what we are proudest of, let him go to the alcove off the main lobby and gaze up at the ten group pictures of our graduates from 1946 to 1955, fine boys and girls, now men and women, out in the world, in college, in the military services, in the professions, in business and industry, in homes maintained by their own earnings, raising fine children — doing their part to keep America great. You, future graduates, will join them, and we will be proud of you.

Ten Years at Falls Church High School

When Falls Church High School opened its doors in 1945, the six faculty members pictured below were a part of the teaching staff. Although many teachers have been added to the staff since that time, this sextet has been an integral part of Falls Church High School during the school's entire history. They have worked with the students to build the traditions and maintain the standards for which our school will always be remembered.

Junior Class

The financial goal for the Junior Class this year has been the Junior-Senior Prom. These Juniors have worked four years to make a dream a reality; to sponsor the best Prom ever given.

Many class activities have taken place this year, and among the most successful were the bake sales, paper drives, and dances.

Both the Fall Hop and the Night Club Dance were products of the hard-working Juniors. The financial success of these activities naturally added to the success of the Prom.

Jake Frye, president, and his capable corps of officers have had an eventful year — they have united the class by furnishing the necessary incentive for class participation.

Class of '57

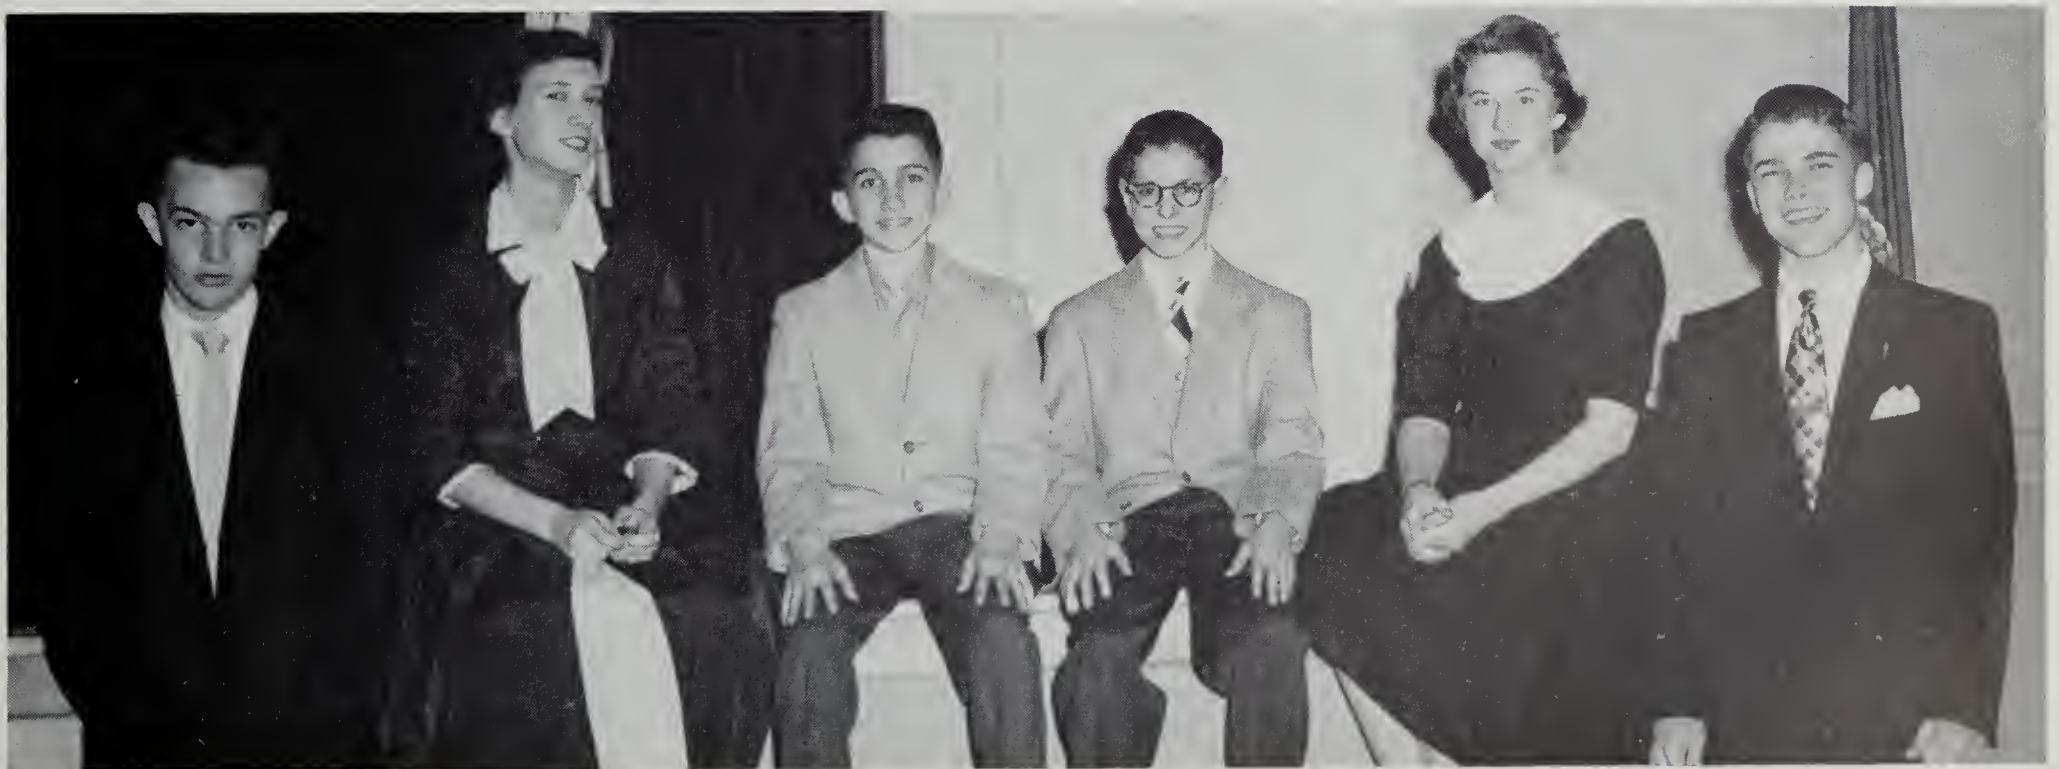

The officers and their two popular sponsors, Miss Green and Mr. Chaudet led the class of '57 during the '54-'55 school year.

Many of the sophomores participated in school-wide sports and activities.

In the dramatic department the Sophomore was well represented by Lynn Hagen who was chosen the best actor at the District Play Festival. Another sophomore receiving a high honor was Marlene Segelbaum who was elected by the entire school as S.C.A. Secretary for 1955-56. Jim Armogida was President of the National Junior Honor Society. The Down-Beats, a band composed of the school's finest musicians, included talented sophomores Bob Johnson and Paul Rinaldi. This year for the first time sophomores published a newspaper, THE SOPHOMORE BULLETIN, which stimulated a greater interest in class activities. Milton Denlinger, who worked hard as Editor, and Walter Crater,

who worked as Circulation Manager, hope that they have succeeded in establishing a tradition for future classes to follow. The "Class of '57" was also well-represented in school athletics. The Junior Varsity basketball and football teams, composed almost entirely of sophomores, won the county championships. A surprising number of sophomores, also participated in Varsity sports. One-third of the varsity golf team was composed of Jim Armogida, Paul Kvale, Bill Stegall, and Chip Durley. The Soc Hop, sponsored annually by the Sophomore class, was one of the most successful dances of the year. Nat Albright turned in a fine performance as master of ceremonies of this affair.

All sophomores agree that the year '54-'55 was a highly successful one for them and that the class spirit which was generated this year will continue to grow in the promotion of the many junior and senior activities ahead.

Freshman Class of '58

Class officers Bill Hillier, John Staples, Penny Berg, Jo Anne Williams and Butch Eybers, of the Class of '58, represented a greatly enlarged Freshman class. Before moving to Princeton, New Jersey, just before Christmas, President Bill Hillier took steps to establish a Freshman newspaper. Paula Dodson was selected as editor-in-chief of the "Freshman News," which was later re-named the "Kitten," to represent the clipped claws of a junior-sized jaguar. Barry Keenan and Sue Oakley were elected as senators to represent the class in the S.C.A.

The vacancy left by Bill Hillier was filled very ably by John Staples, and the Vice-Presidency was, in turn, filled by John Murray, a new and well-liked student.

When Forensics began, the Freshman class was not left out: Reginald Rutherford made the Forensic Team by winning the school-wide spelling contest and went on to the District meet.

This year, as in previous years, the class of '58 sponsored a spring dance, the Moonbeam Bounce, which was held April 30. The music was provided by "The Downbeats," a dance band composed of school musicians.

Throughout the year Freshmen showed enthusiastic support for school-wide activities as well as those of the class of '58.

Faculty Elects . . .

STUDENT COUNCIL ASSOCIATION

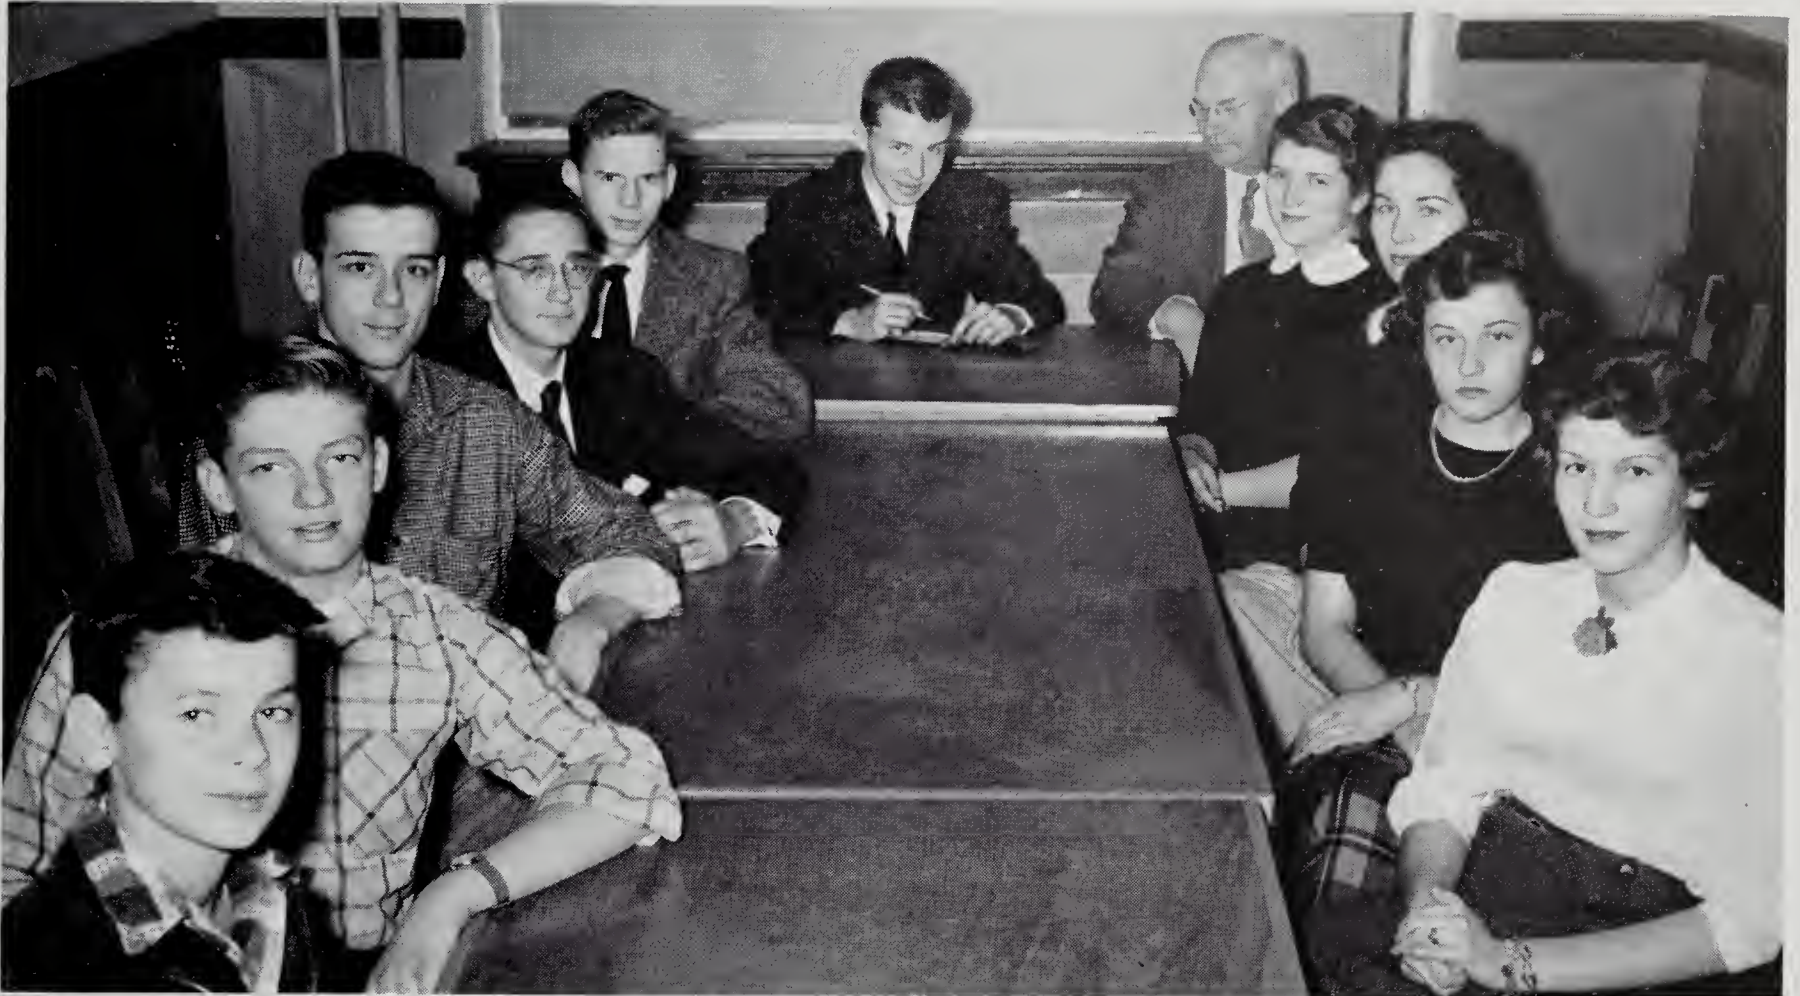

The Student Council Association of Falls Church High School is an integral part of the state association of the same name, and a member of the National Association of Student Councils. Besides the four regular officers chosen by the entire school, each class elects two senators, and each home room a representative, all of which comprise the personnel of the S.C.A. which governs the school, plans programs and assemblies, and sponsors educational, philanthropic, and recreational activities.

This year the Student Council Association has been represented on the Student Parent-Teacher Executive Committee, has handled the Magazine Drive, Christmas Baskets, March of Dimes, Arlington Hospital Drive, Easter Seals and Student Handbooks, as well as the maintenance of the school book store as a source of funds.

Every student is a member of the S.C.A., the purpose of which is to instill in each individual the highest standards of honor and the finest principles of democracy.

NATIONAL HONOR SOCIETY

The Elizabeth Ann Clem Chapter of the National Honor Society is composed of juniors and seniors who have shown character, leadership, service, and high scholastic records. Its purpose is to reward and further develop these high principles. Through its efforts the Harriet Swain Hurt Memorial Scholarship of \$100 is annually awarded to a worthy senior.

The chapter annually sponsors the semi-formal Christmas Dance, College Day and a picnic in spring in the Shenandoah National Park. It holds two formal inductions each year. An invitation to the Honor Society, sponsored by Mrs. Mable Chapman, is a coveted award.

VARSITY CLUB

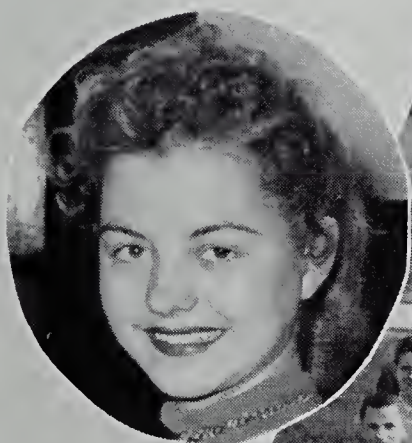

KEY CLUB

The Key Club is an honorary organization of the Falls Church Kiwanis Club, whose motto is "We Build." Members are chosen on their merits of scholarship and leadership.

This organization accumulated considerable financial resources from the sale of refreshments at athletic games. With this money they financed the building of a new refreshment stand on the baseball field. In this and many other ways, the Key Club has rendered outstanding service to the school.

MONOGRAM CLUB

The Monogram Club is an honorary organization composed of girls who have earned a letter in one of the varsity sports. Its main object is to encourage greater participation in girls' sports. From the annual spaghetti dinner and the student-faculty basketball game, the club raised enough funds this year to purchase new uniforms for the softball team and gold basketballs for all girls participating in one or more varsity basketball games.

HOMEcoming COURT OF '55

At annual Homecoming Dance Delores Nalls, Queen of 1953, crowns Ann Yeatman, 1954 Queen.

The annual Homecoming game was played on October 9, 1954.

During the half-time ceremonies the court proceeded around the field, after which Queen Ann Yeatman was presented a small gold football by General William S. Rumbough.

The Senior Class presented the annual Homecoming Dance in the gymnasium that same evening. Miss Delores Nalls, Homecoming Queen of 1953, returned to crown Miss Yeatman. Jim Neville, President of the Senior Class, presented a white football signed by the team members to the attractive Homecoming Queen of 1954.

Ann Yeatman presides at the 1954 Homecoming game.

SWEETHEART COURT

The Sweetheart Dance

Joan Dean, 1954 Sweetheart, crowns Joan Loew, Sweetheart of 1955.

The Sweetheart Dance was held on February 12, 1955, in the gymnasium.

Each member of the court was introduced as she moved across the floor to the colorfully illuminated stage.

Miss Joan Dean, the lovely Sweetheart of 1954, returned to crown our own charming Sweetheart, Miss Joan Loew, as Miss Marjorie Green sang "Sweetheart." Then Joan, followed by her attendants, descended from her velvet-draped throne and began the traditional court dance. Miss Loew's escort for the evening was Dave Waters.

Back row, left to right: ABBIE BOOTH, BARBARA STALL, JOAN ENGLISH, CONNIE GLASCOCK, JEAN MACH.

Middle row: BARBARA LIVINGSTON, ANN YEATMAN, PAT HOWARD, SONDRA VILLELLA, JOAN LOEW, ANNE CHAPMAN.

Seated: JANET JOHNSON, SUE NEWMAN, KATHY LUSH, SALLY HUTTON.

SONDRA VILLELLA, Prom Queen

PROM COURT

The annual Junior-Senior Prom was held June 3, 1955, in the Williamsburg Room of the Mayflower Hotel.

The formal atmosphere and excitement of the occasion seemed to be the culmination of wonderful high school years for every graduate; years which were full of lasting friendships and happiness.

The court proceeded to the throne to a vocal background provided by Miss Marjorie Green. The procession ended when the 1955 queen, Sondra Villella, attired in lavender, ascended the throne to be crowned by Diana Reiff, queen of '54.

The annual Junior-Senior beach party, held the following day, climaxed the events of the year.

August 25 saw a turnout of sixty-five eager, young hopefuls whose desire it was to become football players. As the team developed under Coaches Weber and Lyons it became increasingly difficult to find a winning combination.

Highlights of the season came in the form of a hard-fought 6-0 victory over Mount Vernon and an even harder-fought 6-0 loss to a powerful Fairfax team. The Jaguars performed brilliantly in these games and several received recognition for their play. The following won positions on the various honor teams: Barry Lichtman and Jim McIntyre, Second Team All-Northern Virginia; and Jake Frye, Jim Penn, Barclay Greenwood, Don Foster and Jack Barreiro, Honorable Mention All-Northern Virginia.

Junior Varsity Football

First row, left to right: JIM GUNN, TOM LANGDON, LARRY GRANT, JOHN MURRAY, *Captain*; RALPH ROUND, FRANK TUCCI, PARKER MYERS.

Second row: DICK MARTIN, JOHN HEGWOOD, SONNY GUCKERT, HARRY DIZELL, ALAN PAGE, BUTCH EYBERS, MIKE FOLEY, JACK DAVIS, DON VANNESS.

The Little Jaguars went through the 1954 season undefeated to tie with Fairfax for the County Championship. This is the fifth consecutive year Falls Church has had claim to this title. Key players who helped compile the 5-0-1 record were: in the line, John Girvin, Jim Intolubbe, Don Vanness, and Mike Foley. Outstanding backs were Harry Dizell, John Murray, Ralph Round, and Jay Deits.

D R A M A

Falls Church now boasts a brand new and beautiful auditorium with a seating capacity of over 700. For the first time in the history of our school our plays were presented on campus and in our own theatre. Four full length plays—a comedy, a mystery, a drama and a farce were presented; for the first time all five classes were represented in either the cast or crew of the productions.

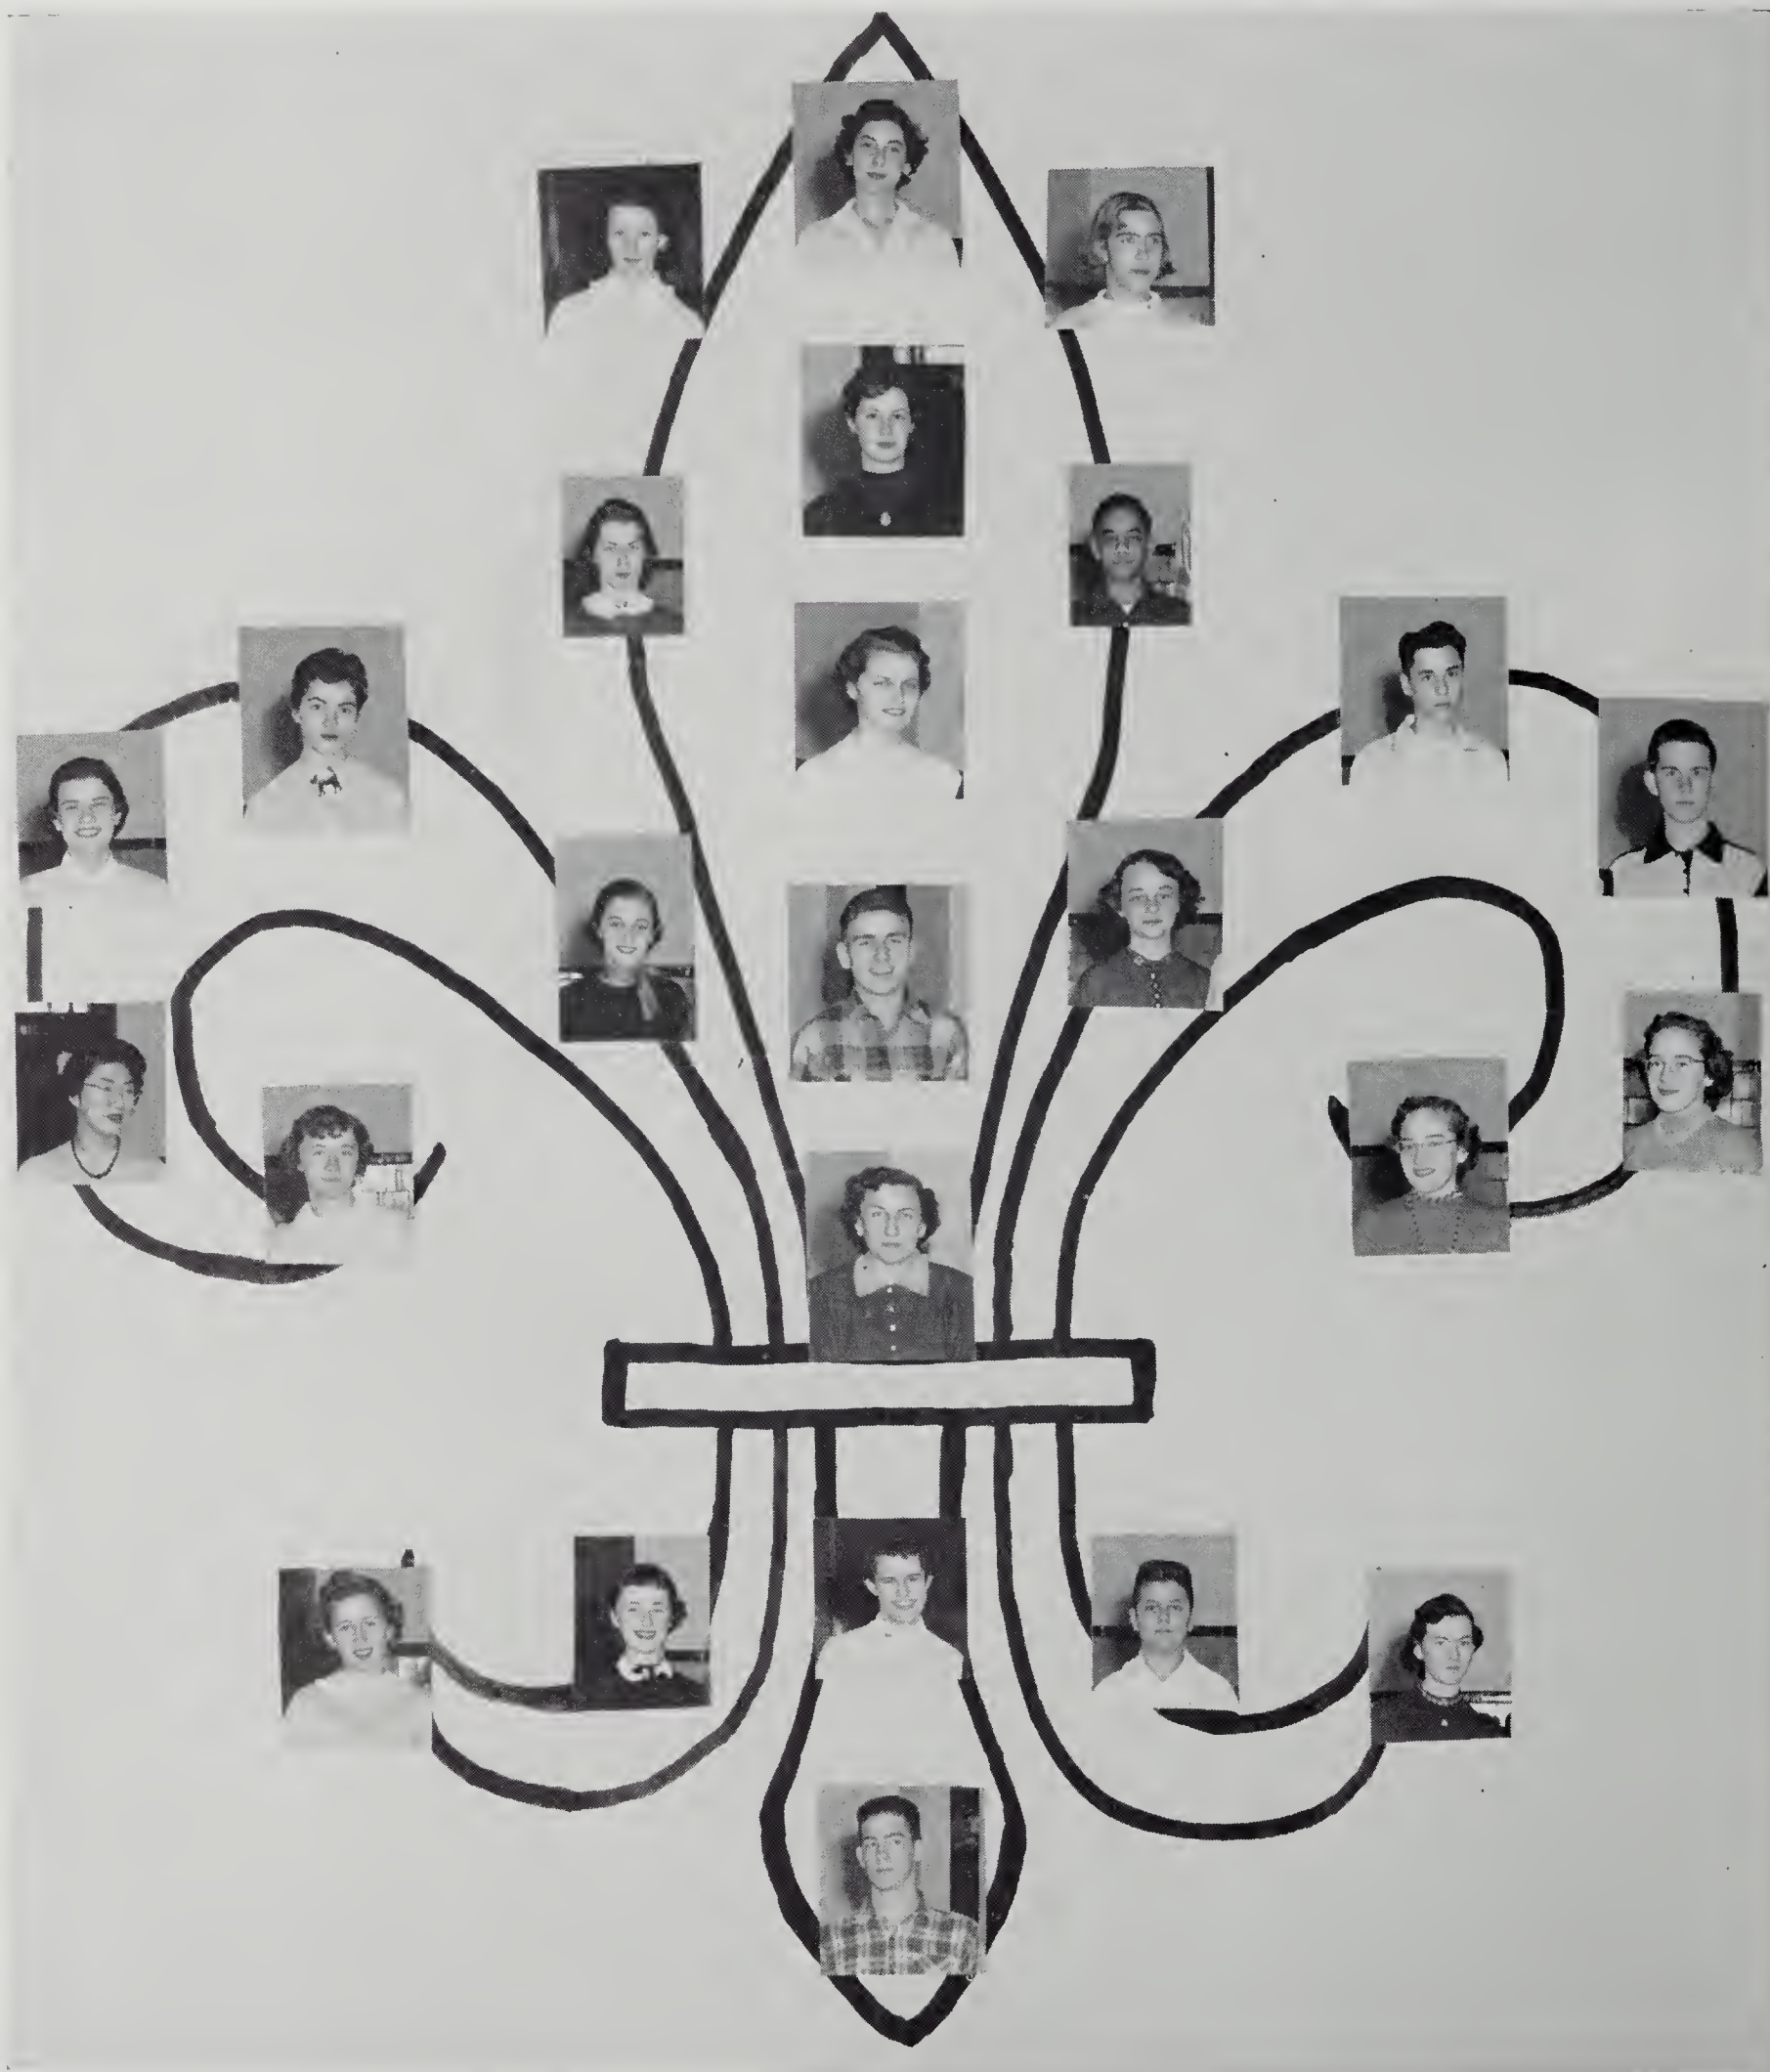

The curtain, however, did not slowly and impressively rise on our first production, for the very simple fact that the curtain had not yet arrived. However, everything else about that production was impressive, and “Bernardine” by Mary Chase played to enthusiastic audiences on October 22nd and 23rd.

As was fitting, the mystery thriller “Dracula” was presented after the majestic parting of sumptuous and fabulously wine rich velvet curtains and applauded vigorously by a receptive and shuddering audience. This December production was sponsored by the National Thespian Troupe.

The “Sleep of Prisoners” by Christopher Frye, the Virginia High School League Contest play, was produced at school, won the district festival and went on to win the highest rating of all high school plays in the state. This is the first time that one of our dramatic productions has won this top honor.

The “Importance of Being Earnest” by Oscar Wilde rounded off a highly successful theatrical season under the direction of Mr. Shandy Holland.

SCIENCE CLUB

The Science Club is affiliated with the Science Clubs of America. It has five main aims: to study facts, principles, and causes; to spread the knowledge of science; to respect the right of others to express their opinions on scientific matters; to apply scientific principles in verifying or refuting findings, which seem questionable

to apply scientific methods, reasoning, and logic to the conduct of personal affairs; and to uphold these ideals in the tradition of true science. To accomplish these aims, the club invites speakers to come and talk to its members, presents movies of a scientific nature, and takes field trips of interest.

SUB-DEB CLUB

This year the Sub-Deb Club sponsored many worthwhile service projects.

At Thanksgiving, a basket of food was provided for a needy family. For their Christmas project, the girls made scrapbooks for children at Children's Hospital and following this, raised money for the cancer drive. Other activities were a food sale and a stationery sale to help finance the club's many interesting and worthwhile projects.

The Model Club was organized three years ago by some members of the Camera Club who were interested in fashion photography. It has been sponsored during the past three years by Mrs. Margarita Newman.

Among the activities are the many fashion shows which have been held. The girls work on self-improvement as well as fashion modeling. They like to learn beauty tricks to make themselves better groomed and more attractive.

Bake sales have been held to raise money to make it possible for the club to sponsor picnics, parties and dances for its members.

Beauty consultants, modeling school representatives, and others have attended club meetings to give lectures on good grooming and other modeling problems. The club has also taken field trips to Washington to visit modeling agencies.

As a result of the experience and knowledge gained from the Model Club, some of the members have become successful models, working in the teen sections of the department stores in this area. Some of the members enter the modeling profession.

The ultimate goal of the Model Club is to improve the personality and personal appearance of its members by developing an interest in fashion and good grooming.

Foremost among the achievements of the Falls Church High School Student-Parent-Teacher Association during the past year was the integration of the students, in name and in fact, into the organization. Students participated on an equal footing with the parents and the teachers in the planning and execution of the SPTA activities and programs throughout the years.

Vigorous efforts were made by the SPTA to obtain additional badly needed land for the High School's Physical development, recreational, and athletic programs. This will be pursued by the SPTA until achieved.

The first annual SPTA Festival was a big success. It provided funds for SPTA scholarships, for the Forensic team's expenses at the state meet at Charlottesville, and for sending the A Cappella choir to Princeton to participate in the Westminster College Choir Festival.

The important problem of the relationship between students and their parents was dealt with, both through a panel discussion at an SPTA membership meeting and as a year-round discussion topic by a newly-formed Study Group.

This year 1600 students read, spoke and spelled the King's English as the Forensic program got under way. From each English class came the best qualified poetry and prose readers and from this promising and talented group it was a mean task to whittle down to eight people. When it was done, however, they were good to look at and wonderful to hear.

The 1955 Forensic Team again walked off with an enviable number of places in the Northern Virginia District Contest. With five schools competing, we won three first places and three second places out of a possible eight categories. Our school is more than ever proud of the showing that our Debating and Forensic teams displayed under the direction of Mrs. Jackson and Mrs. Lenvin.

Claudia Fruit, Heather Hanley and Sally Ludlow represented the school at the state finals in Charlottesville in poetry reading, public speaking and prose reading respectively, where each captured a second place title.

Claudia Fruit represents the school in the "I Speak for Democracy" contest.

New BERGER drafting kit for students combines all needed drafting tools in one easy-to-carry case.

With this new, all-in-one drafting kit, you will come to class fully equipped with every drafting tool you need . . . every day.

The Berger Drafting Kit is complete. It includes your choice of 8 different sets of drawing instruments, protractor, architect's scale, engineer's scale, 8" and 10" triangles, French curve, draftsman's tape, pencils, pencil pointers and erasers. Inner compartments hold drawing and note papers—all in attractive, durable, 16" x 24" simulated leather, 3-way zippered, carrying case of scuff-proof, water-proof Texon, with slide-in type handles.

Every drafting student should own this handy, practical learning aid. He'll find it indispensable in high school, throughout his college course, use it as a professional. It costs so little—in some cases less than buying the items individually.

Write for literature and prices.
